REPORTS

MISSIONARY'S

THE ASSOCIATION IS ONE OF OUR GREATEST MISSION FIELDS

I. INTRODUCTION:

In the past, we have looked overseas and saw the great need there - the multitude of lost, sick and hungry. Therefore, we put great emphasis upon Foreign Missions. During the meantime, we failed to see the multitude of lost and needy here in our own communities. And because of our neglect here at home, our country has become more pagan. In recent years, our denominational leaders have been telling us that America is one of the greatest mission fields in the world. Some of the other religions have recognized this and are sending missionaries to America.

II. WHY OUR ASSOCIATIONS ARE SUCH AN IMPORTANT MISSION FIELD:

1. Because of the great need in the Association:

(1) There are so many lost in the association.

(2) There are so many people that the churches are not reaching and ministering to.

(3) There are many weak and ineffective churches that need help.

(4) The lives of many Christians from the stronger churches indicate that their Religion and Church Membership does not mean what it ought.

(5) The increase of crime in our communities indicate that the churches are failing.

2. Our World Mission Program is supported by churches in the association:

(1) Therefore, our world mission program can be no stronger or bigger than the support that the churches give it.

(2) The Cooperative Program (Our World Mission Program) must be promoted in the local churches.

(3) One of the functions of the Association is to promote World Missions.

3. What happens in the Association affects our missions overseas:

(1) Missionaries tell us that the people in other lands know what goes on here in America, and much of the news of America has an adverse effect upon their work.

(2) Other groups, such as communist - use our crimes and sins to their advantage.

(3) Therefore, one of the greatest needs in our association is to get our people converted and committed to Christ, so their lives will reflect Christ and His Love.

Respectfully submitted, Hassell Lamm, Sr.

SUNDAY SCHOOL

The purpose of the Sunday School Department in our Association is to help promote and improve the teaching, training, and other ministries of the Sunday School within the local church. Various efforts have been made to enlarge and improve our ministry of teaching. There is still much to be done, but a beginning has been made. An important phase of our work is training our people for better and more efficient service. During the year a Central Training School was held to help meet this need. Without trained leaders, we cannot do our best work, so urge your church to have a training school this year.

Our hopes and plans for the coming year call for a complete organization of our Associational Sunday School Department. Our work cannot be done effectively nor efficiently until this is done. The Church Growth Plan

s recommended for adoption by churches beginning in 1966-67. This plan s to be church-centered, Sunday school led, adult focused in an effort to each people for Christ. Activities recommended for 1966-67 are:

1. The Sunday School working at the task of teaching Biblical revelation.
2. The Sunday School leading in reaching all prospects for the Lord.
3. The Sunday School working at the task of leading all church members o worship, witness, learn and minister daily.
4. The Sunday School working at the task of providing organization and eadership for special projects.

We urge our churches and our people to cooperate with us in this work, o that we may help each other and at the same time, bring benefits to ourelves for the glory of Christ as we move forward in the expanding ministry.

The associational Sunday School covets your prayers and urges you to upport the work with your presence at the meetings.

Respectfully submitted, Frank B. Petty, Supt.

TRAINING UNION

These are exciting days for the ministry of Training Union. Many new deas, new materials, and a new seriousness to our need for Christian training are coming to us through Training Union.

This has been a busy year for Training Union in the Beulah Association. We began our year last November 1, with a Training Union Leadership Clinic for pastors, Training Union Directors, and other interested persons. This clinic met for four days at the Roxboro Baptist Church and was conducted by the Rev. O.B. Reel. Our "M" Night Program in December was followed by a program on Witnessing for our Lord in February. On May 16, Rev. Sam O'Neal brought a staff of workers from Raleigh to instruct us in he latest Training Union methods. This meeting was well attended and considered to be very helpful by all. We concluded our quarterly meetings n August 29 at the Bethel Hill Baptist Church, where the theme of Dedication to God was explored with the use of a sound motion picture entitled Sunday Night Adventure."

We had twenty-six people from our Association attending the North Carolina Baptist Assembly at Southport last summer for the first Training Union Assembly week.

We believe that Christ is the answer but that without a strong Training Union, many people won't even have the questions. We urge this Association to a renewed effort in enlisting all their members in active participation in Training Union for the coming year.

Respectfully submitted, W. R. McCollum

MUSIC

The Associational Music Ministry is unique in its organization and approach to its task of helping the churches. First of all, we have no set number of officers, we select only those we need and can use. Second, we do not plan meetings just to say that we have met, we meet only when the churches desire help. We stand ready to give you assistance and help, but you must ask us to come.

The Associational Music Ministry has a resource file of materials to help you with your work, including pamphlets and filmstrips. These are for your use. Filmstrips in the office are: "Music That Honors God"; "The Church Music Council"; "Music in the Departments"; "Graded Choirs in Your Church"; and "Improving Congregational Singing."

Our plans for the coming year include an associational School of Music, set in the calendar for March. We want to make this school helpful to you and have tentatively arranged for at least five different classes. We will still continue our policy of offering assistance to those who ask for it, we want you to feel free to call upon your music officers to help you.

Respectfully submitted, Alfred Foy

WOMAN'S MISSIONARY UNION

The purpose of Associational Woman's Missionary Union is to assist the churches in establishing, conducting, enlarging, and improving the work of the W.M.U. of all the churches. Training, inspiration and fellowship are a part of every activity.

In the Association this year, we had one honor W.M.S. one honor Junior G.A., and one honor Intermediate G.A. It is our prayer for 1966-67 to promote Associational Girls' Auxiliary, in addition to the work of 1965-66. These activities were as follows:

JANUARY: Mission Study Institute --------- Westwood
FEBRUARY: Y.W.A. Banquet ---------- Lamberth Memorial
MARCH: Annual Meeting ---------- Lamberth Memorial
MAY: Mission Study Class ---------- Lamberth Memorial
JUNE: Open House, Missionary's Home ----- Pine Lakes
JULY: Sunbeam Band Day Camp ---------- Clement
AUGUST:
Y.W.A. Council Picnic ---------- Roxboro
State W.M.U. Workshop ---------- Campbell College
SEPTEMBER: Leadership Conference ----- Roxboro

There were nine members of the W.M.U. Executive Board to attend the State Workshop on August 26th and 27th, in order to be better trained to teach our Associational Leadership Conferences, and to work with our churches.

In this year of Proclamation and Witness, the W.M.U. has sought to declare what God has done in and through Jesus Christ for the salvation of man: "....having the everlasting gospel to preach unto them that dwell on earth, to every nation, and kindred, and tongue, and people". Rev. 14:6.

The hymn for the year is one of praise and adoration.

"O for a thousand tongues to sing
My great Redeemer's praise
The glories of my God and King,
The triumphs of His grace!
My gracious Master and my God,
Assist me to proclaim,
To spread thro' all the earth abroad
The honors of Thy name."

Respectfully submitted, Mrs. S. Alfred Foy

BROTHERHOOD

The church receives its mission or purpose from the Lord. Since Christ is the head of the church, the church is expected to do His will. Jesus expressed His will succinctly when he told his people:

"Go ye therefore, and teach all nations baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you; and lo, I am with you alway, even unto the end of the world" (Matthew 28:19-20).

In simple language, the church is expected to teach missions and involve itself in presenting Christ to the world. But how can you interest men in missions and motivate them to Christian Service? Some Southern Baptist Churches are finding one answer to this question through the new dimension of Brotherhood. The Brotherhood is the only church program specifically designed to meet the need of missionary education and missions involvement among men, young men and boys.

The new concept of Brotherhood work is very flexible. No longer do our Brotherhood leaders tell us that we must have a certain number of officers in our Brotherhood in order to have a Brotherhood. It is conceivable, that in some small churches there may be only one officer. We all recognize that in every church, there is a need for getting our men and boys to become more informed about missions and also involved in mission activities. Therefore, we are urging every church to take proper action to see that his mission need is met. It may mean, in some instances, that a Brotherhood needs to be organized, and in other situations, one person may be elected to be in charge of mission promotion, education, and activities.

The Associational Brotherhood Officers and the Associational Missionary stand ready to help any church in any way to strengthen the existing Brotherhood or help organize the men to meet the mission need in the local church. Please call upon us if we can be of any help.

Respectfully submitted, Sam Shotwell

STEWARDSHIP

The Beulah Baptist Association has made some progress in the field of Stewardship during the past twelve months. We are all aware of the possibility of far greater gains in this field if only each member of each church in the Association would take to heart the command of our Lord, "Bring ye all the tithe into the storehouse."

We all Stand amazed in "HIS" presence when we look upon our new Associational Home.

Many churches and individuals have put their shoulder to the wheel and given a big Heave-Ho to bring into reality this dream of a long time. Now we must all keep this wheel rolling until in the near future, we can burn the note on this lovely home. Our tithers and missions giving in the churches of the Association continues to climb each year and for this, we are grateful.

Cooperative program gifts for 1965 increased over 1964, and we believe it will show another increase for 1966. Associational missions gifts have showed an increase from almost all the churches since the erection of the new home. Pastor salaries have been increased in a good many of the churches. There have been increases in many other fields of stewardship in our churches over the past few years.

Respectfully submitted, Clarence Bishop, Chm., Mrs. J. J. Woody, Wayne Oakley

EVANGELISM

We live in a world full of rebellion. People seem to be rebelling against constituted authority. Mobs and riots cover our streets in both the large and small cities. Lawlessness seems to be the order of the day. Perhaps one reason man is so rebellious and bewildered is because he is in search for an answer he has not yet found.

We have that which man needs. The Gospel of Jesus Christ. We are to be about the business of preaching this gospel in the church and out of the church, from the pulpit and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and the persecutors of the Church has been the fires of revival. From Pentacost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptists' attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of plan and purpose. Now is the time to get every church committed to the crusade date for 1969.

My prayer is that each of us may commit or recommit our lives afresh and anew to this matter of leading people to a saving knowledge of Jesus Christ.

Respectfully submitted, John Finklea

MISSIONS COMMITTEE

The missions committee consisting of four members, Rev. Leroy Huthmacher, Mr. William Walker, Mr. Nat Whitfield and Rev. Alfred Staley, met three times this year for the purpose of seeking ways of promoting the associational missions program.

1. With the approval of the executive committee, the missions committee purchased the furnishings of the new associational office.
2. Promoted the Week of Prayer for Associational Missions. The promotion of the Week of Prayer consisted of a briefing meeting for the Superintendents of the Sunday School's. The preparation of suggested materials for Sunday School assembly programs and the arranging for speakers to go into the local churches by request of the church and pastor to speak on associational missions.
3. The missions committee joined with the finance sub. committee of the building committee for the associational parsonage. In suggesting that the V.B.S. offerings be used for associational missions.

RECOMMENDATIONS OF THE MISSIONS COMMITTEE:

That the Association approve a request for State Mission Aid:

1. $1,500.00 for our Associational Missions Program.
2. $1,200.00 Pastoral Aid for Westwood Baptist Church.
3. $1,200.00 Pastoral Aid for Somerset Baptist Church

Respectfully submitted, Alfred E. Staley

COOPERATIVE PROGRAM

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the Prayer Service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program, you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and to save. Each year, more of our churches are increasing Cooperative Program giving and at the same time, others are beginning whole hearted participation.

With enthusiasm let us be faithful in worshipping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

RECOMMENDATIONS

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.
2. That we engage regularly in prayer for Cooperative Program causes and give special emphasis to prayer for these needs during October Cooperative Program Prayer Emphasis.
3. That the churches give regularly through the Cooperative Program.
4. That churches advise their membership regularly of the progress being made by the Cooperative efforts of all the churches.

Respectfully submitted, W. R. McCollum

CHRISTIAN LIFE

The objective of the Christian Life Commission is to assist the churches by helping them to understand the moral demands of the gospels. The church is faced with a great responsibility of teaching and preaching the moral demands of the gospel.

According to the scripture, the home is placed with a great responsibility of setting forth a good example of Christian living. The parents have their obligation of teaching their children. In Deuteronomy 6:6-7:

> "And these words which I command thee this day, shall be in thine heart:
> And thou shalt teach them diligently unto thy children and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up."

So the home is responsible for setting forth the need of love, care, and guiding them in their spiritual relationship to give them godly discipline.

We are living in a changing world, but there is something that has not changed. Sin has not changed. The word of God has not changed. God's moral law has not changed. God has not lowered his standards.

The greatest rule for Christian living is love. When David Livingstone pressed on through the lonely jungles of Africa, it was his love for Christ that kept his heart singing, "Jesus the Very Thought of Thee."

Only when our hearts are yielded to the law of love will we become responsive to God's call to service and to live the Christian life.

Respectfully submitted, E. L. Epperson

CHRISTIAN EDUCATION

Our Baptist college campuses are filled to overflowing with students from throughout our own country and from many countries of the world. These students are being trained and taught by dedicated men and women who have committed themselves to the great task of education. Young people from all walks of life are brought together under the influence of some of the outstanding Christian leaders and educators of our state and nation.

We Baptists have the wonderful privilege and the grave responsibility of seeing that these institutions of higher learning are encouraged and supported, through our prayer life and through our financial resources. If we cannot find it within our hearts to support so worthy a cause, we are inviting the loss, through our own negligence, of one of the greatest avenues of Christian witness available to the youth of the land.

Every church in our association ought to covenant with God to pray unceasingly for this effort toward Christian education and to give sacrificially to the support of it. In the fall of 1965, more than eleven thousand young men and women enrolled in our seven colleges. More than that number is filling these campuses to overflowing during the present semester.

Do we care enough about the destiny of our young people to ensure the continuation of Christian education for them and for those who will come after them?

Respectfully submitted, Neal E. Eller

CHRISTIAN LITERATURE

"They have done it again! Just as soon as we get used to a quarterly, or magazine, they go and change it, or we get something new."

This is as it should be. The Sunday School Board of the Southern Baptist Convention, in its endeavor to meet the needs of churches of the convention, is ever studying, planning, correlating, and presenting "something new." This year is no exception. And one of these new items is at our disposal now. Many churches will begin to use the LIFE AND WORK CURRICULUM materials this fall. Each church is urged to study its needs (an ever ending study too, we might add) and in light of the results of this study, use those materials that most nearly meets the needs of the church.

If you had $0.42 cents to invest, where would you invest it? For this small sum per quarter, you can invest in your church leadership for the future as well as the present. The Name of the magazine is CHURCH ADMINISTRATION and costs only 42 cents a quarter when ordered with your literature. Why not get enough for each deacon anyway? You will get big returns when you do.

ANNUITY BOARD

There are sixteen churches participating in the Annuity Board Programs in the Beulah Association, in addition to the Association itself. This means that less than half the churches are participating in any of the various annuity plans.

Since the beginning of the Annuity Board of the Southern Baptist Convention in 1918, several plans have been created and made available to pastors, widows, denominational workers, and local church employees. Some of these plans have been discarded and new plans with greater improvements have been offered. The Minister's Retirement Plan was closed to new members several years ago. The basic and most popular and beneficial plan now in operation is the Southern Baptist Protection Plan. This plan provides benefits for age, disability, and widow. The cost of this protection is based on the pastor's salary, ten percent of any amount up to $4,000.00 a year. The church is encouraged to pay the total cost.

The Health Benefit Plan is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment is open twice a year. Deadline for enrollment this year is November 30.

Benefits paid to annuitants in 1965 almost reached $4 million for all current plans. Since 1918, the Annuity Board has paid approximately $51 million in benefits to annuitants.

Today, more than 16,600 churches are providing protection for their ministers through the various plans offered by the Annuity Board. Approximately, two-thirds of these churches are paying full ten percent cost for their ministers. Seven states have 70 per cent of the churches in the program. North Carolina has 48 percent of the churches participating.

FOUNDATION

Sometimes in writing an annual report, we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of over-enthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. I wish it were possible for me to share with you all of the responses we have been privileged to participate in during the past year. This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Recently many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. By this, I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future, you will make use of the facilities of The North Carolina Baptist Foundation, Inc.

CHRISTIAN ACTION LEAGUE

The Christian Action League in February 1966 failed to secure 1,694 signatures from 17,000 Church Members in Person County, which were required by law to call for an election by the Christian Action League, and all other Christians on Beer, Liquor and Wine.

In the year of 1965-66, a great opportunity was brought to the Christian people of Person County to stand up and be counted, and act like Christians, and the Christian Action League challenged them to do so. We tried to reason with them, just as did Isaiah of old; (Isaiah 1:18) when he said, "Come let us reason together, saith the Lord." They would not hear Isaiah, neither would they hear us. Is this a day of reasoning? I don't think so; and if it is; then how do we Christians account for the failure of so many church members to heed when the Christian Action League tried to reason with them?

Is this a day of reason? No, but a day of "Antichrist" (I John 2:18) said that there would be many. We believe they are here. When a person has the audacity to make such a statement as did John Lennon of that sacrilegious group called the "Beatles;" when he (John Lennon) said that they were more popular than Jesus Christ Himself; if this is not what the Bible called "antichrist;" then how do Christians account for such a statement?

CHILDREN'S HOMES

"Suffer little children to come unto me...". Under the compelling force of the Gospel of Love, North Carolina Baptists served 1,468 children, directly or indirectly, last year. For this privilege, we are grateful. North Carolina Baptist Children's Homes are dedicated to the end that boys and girls shall not be deprived of physical nor spiritual needs. We can help in many ways. Did you know that for $600.00 (Six hundred dollars) a year, a family, an individual, a business corporation, or a church can sponsor a child's care at the Children's Homes? Did you know that for about $88.00 (eighty eight dollars) a year, you or your church group could furnish clothing for a child at the Children's Homes? Why not contact your associational representative or the Children's Home directly and see what you can do?

Perhaps you would like to have the Tour Choir from the Mills Home Campus come to your church sometimes. Composed of volunteers who meet certain minimum music requirements, this group participates in a limited concert tour each Spring and Fall. Write to the General Superintendent at Thomasville, N.C. for details.

Your continued Thanksgiving Offering still provide 31 percent of the support for this Christian work. We urge each church to "be found faithful."

BAPTIST HOSPITAL

In giving the Olivet discourse, the Lord Jesus said, "I was sick, and ye visited me..." (Matthew 25:36). In verse 39, they said, "Or when saw we thee sick...?" Jesus said, "Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25:40)

North Carolina Baptists can thank God for the opportunity to render a spiritual service to thousands in the Name of Christ. You are providing the best medical care and spiritual counselling for the sick in all classes. Many are discharged having found their spiritual needs, as well as their physical needs, met through the care they received. You are having a part in this work.

Through your Mother's Day gift, you help the Baptist Hospital provide treatment and care for those who are sick and in need. Through an offering, or by an item in your church budget, you are able to have a part too. In this way, each of us is sharing in the work of Christ as we carry on the healing ministry of Jesus.

Rising medical costs should cause us to take another look at the amount we are giving through our churches. It is only as we increase our gifts that we can meet this increased need. It is our hospital. Let's give it the support it needs.

Respectfully submitted, Douglas K. Spurlock

BAPTIST HOMES FOR THE AGING

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again, of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Association.

During this time, we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of

February each year, and through our share in the Cooperative Program. The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

Construction has begun on our fifth Home at Yanceyville, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

AMERICAN BIBLE SOCIETY

Calling the Bible an "exploded book," Voltaire predicted that it would be extinct in 100 years, but continuing demands by the world's exploding population keep the Bible atop the best-seller list.

Today, less than 200 years since Voltaire's death, at least one Book of the Bible is available in 1,250 languages and dialects to help meet the spiritual hunger of millions, including new literates, in the world's emerging nations.

Since World War II when a lonely Marine on Guadalcanal sparked the idea by asking his parents to join him in reading the same Scripture each day, the ABS has developed the Worldwide Bible Reading program around the globe. This program runs from Thanksgiving until Christmas.

During 1965 the American Bible Society filled millions of prescriptions for the Scriptures in America and, in cooperation with the United Bible Societies, throughout the world. More than 745,000 copies of Scripture were given to troops at home and overseas. Thirty per cent of the 400,000 blind people in the United States were reached through 122,475 Portions and Selections in either Braille, on Talking Bible Records or tape recordings of the Bible.

The American Bible Society offered Scriptures in the Revised Standard Version, The American Standard Version, The New English Bible, and the J. B. Phillips' translation, as well as the King James Version. 250 college libraries agreed to schedule pertinent exhibits of Scriptures honoring the 150th Anniversary of the American Bible Society.

Dr. Robert J. McCracken said, "We are Christians with a Christian conscience, Christian concerns, Christian priorities. We are obligated to make the Gospel of Christ known to all the peoples of the world." Are you giving anything to make Bibles available for millions for whom our Lord is not even a name?

Respectfully submitted, Clarence Bishop

STATE, HOME AND FOREIGN MISSIONS

As we explore God's missionary purpose as set forth in the Bible, we become aware of the fact that there is a place for each Christian in that purpose. We accept the truth that the great commission is for each of us individually. As church members, we need to discover ways in which our churches can better fulfill this missionary purpose.

Christ commands us in Acts 1:8, "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." A zeal for missions is not something to be lodged only in the hearts of missionaries on foreign fields, but in the hearts of all Christians.

Designated Mission Offerings from churches in 1965 were as follows:

STATE MISSIONS ---- 29 Churches gave a total of $1,309.00
FOREIGN MISSIONS ---- 32 Churches gave a total of $5,602.00
HOME MISSIONS ------- 32 Churches gave a total of $1,996.00
Other gifts designated to Mission Causes were:
CHRISTIAN EDUCATION - 12 Churches gave a total of $287.00
CHILDREN'S HOMES ---- 27 Churches gave a total of $2,957.00
HOSPITALS ---------- 30 Churches gave a total of $2,313.00
HOMES FOR AGING ---- 25 Churches gave a total of $697.00
MISCELLANEOUS ----- 14 Churches gave a total of $925.00

The total gifts through the Cooperative Program for 1965 was $37,951.00

Each of the above figures, except one (miscellaneous), shows an increase over the previous year. May God give us an increase in our vision and zeal for missions.

Respectfully submitted, Mrs. Wardell Breeze

APPRECIATION COMMITTEE

We, the Appreciation Committee of the Beulah Baptist Association, wish to express our appreciation to all who have helped in any way to give us this opportunity of worship and fellowship together and the privilege of meeting at the Westwood Baptist Church on the first day of our One Hundred and Thirty-Second Annual Session of the Beulah Baptist Association.

The way in which each one has been received has been heart-warming. We thank you for the delicious meal, the inspirational and informative messages, for the leadership of those presiding, for the lovely music rendered, and for all of the comforts and gracious hospitality offered.

To all of our officers who have carried on the work during the past year:

For the beauty of this day and the loveliness of the flowers here indicate to us God's handiwork, as we say, "Thank You," to Him for His ever abundant blessings, may we in turn, say, "Thank you," to you.

Respectfully submitted, Mrs. H. D. Young, Mrs. John Jones

Today, our hearts and souls have been stirred as we have been challenged to look on the fields at home and around the world. We are grateful for the opportunity of sharing with others of this fellowship, the thrill of being a laborer with God in His work in Beulah Association.

We wish to express our appreciation to all those who have planned the program, those who have provided us with the lovely music, to the speakers who have shown us conditions of the world and how God can use us to show his love for the world. We wish also to thank CaVel Church and its members for their warm welcome and their provisions for our comfort.

In a special way, we would express our appreciation for the lay men and women of our association who labor continuously carrying on the work of God in our association. Finally, let us give thanks to Almighty God for all His blessings on our churches as He has led them and pray that we as individuals and as an association of churches may be willing to be used of God to become harvesters in His field.

Respectfully submitted, Mrs. Alfred Staley, Mrs. L. J. Rainey

It is the task of the Finance Committee to devise ways to raise the funds for the Associational Budget. Since our budget is rather small for an association as large as ours, our budget can be met quite easily by the following method.

(1) Each church is requested to contribute $1.25 per member toward our associational ministry. By so doing all the churches together will contribute $10,211.25.

(2) Our association will receive $1,440.00 assistance from the Baptist State Convention of North Carolina.

Together these amounts total $11,651.25 which will more than meet the $11,033.00 suggested budget.

The secret to this is that each church accept its own fair share of the responsibility for widening the ministry of our Lord through the work of our association.

MISSIONS COMMITTEE REPORT

The missions committee consisting of the following four members: Rev. Douglas Spurlock, Mr. Ellis Hudgins, Mr. W. C. Hopkins, and Rev. Alfred Staley, met twice during the year seeking ways to promote the associational missions program.

(1) With the approval of the executive committee the missions committee promoted the Week of Prayer for Associational Missions. This consisted of a briefing meeting for the Sunday School Superintendents, and the preparation of suggested materials for Sunday School Assembly Programs.

(2) The missions committee recommended to the executive committee that the Associational Missionary investigate the possibilities of having a School of Missions sometime in the 1970's.

RECOMMENDATIONS OF THE MISSIONS COMMITTEE

That the Association approve the request for $1,500.00 for our Associational Missions program for next year.

Respectfully submitted,
Alfred E. Staley

The Beulah Associational Sunday School Department held Action Night in October at Longhurst Baptist Church. The May meeting was held at the Yanceyville Baptist Church. Both meetings were well attended.

The purpose of the Associational Sunday School organization is to help every church to achieve the objectives of a New Testament Church by winning the lost to Christ and leading the saved to the submission of the Lordship of Christ in daily living.

The Associational Sunday School exists to help the churches achieve these objectives by:

(1) Leading the churches to set worthy goals.
(2) Encouraging the training of officers and teachers.
(3) Helping the churches in a continuous program of enlargement and evangelism
(4) Helping the church in organizing new Sunday Schools or mission schools in every unreached community.

Our aim is to have the best possible school in every church.

In our day when millions of people profess the Christian faith but are not performing the Christian task the Sunday School can help in a great way. We urge a renewed effort in this task.

Respectfully submitted,
Frank B. Petty, Supt.

TRAINING UNION

The Training Union of the Beulah Baptist Association made two great contributions toward the purpose of its existance during the past year. The "M" Night Program was held at the Front Street Baptist Church with Dr. Robert Poerschke of the Southeastern Baptist Theological Seminary at Wake Forest, N.C. as guest speaker. He challenged the churches to fulfill through the Training Union the duties of Training New Members and Church leaders.

The second meeting of the year was held at the Somerset Baptist Church Continuing with the thought of "Training Church Leaders", the program for that night was centered around the churches using Assemblies and Camps to achieve that result. The highlight of the program consisted of two young people from the Bethel Hill Baptist Church who had attended Ridgecrest and the N. C. Baptist Assembly who gave their personal testimony of their experiences of what these assemblies meant to them.

The challenge still remains. Will the churches use their resources at their disposal to advance God's Kingdom?

Respectfully submitted,
H. LeRoy Huthmacher

WMU REPORT

"Teach Me, O Lord I Pray." Our Associational work began with the Mission Study Institute in January, under the direction of Mrs. F. R. Lo at Lamberth Memorial Church. Here the women were taught how to teach a Mission Study Book, giving helps and effective ways to teach.

Eighty-two persons enjoyed the YWA Council Banquet - - the Theme "Oriental Gardens" delightfully carried out. This was held at Westwood Baptist Church in February.

A special feature of the WMU Annual Meeting at Mt. Harmony Church in April was the period of evaluation and planning in conferences designed to assist every church. Rock Grove had the honor of being the only

church with their Executive Council being 100% in Leadership Courses, having fourteen members holding WMS Leadership Cards.
For the first time in several years, our Girls' Auxiliary met, enjoying a picnic; and participating in a Coronation Service, crowning nine Queens with a court of twenty-four. This was in May at Somerset Church.
Under the leadership of Mrs. Edgar Dunevant at Clement Church, there was a two day camp in July for eight year old sunbeams.

Respectfully submitted, Mrs. S. Alfred Foy, President

BROTHERHOOD REPORT

Our Brotherhood is a part of our Church. It has the job of helping men, young men and boys to see the importance of telling persons everywhere about Jesus Christ and His love for all persons and guiding them.
Baptist men and missions go together. This combination with the help of God through the Holy Spirit can revolutionize a neighborhood community, city, nation and world for Christ.
Let us not forget our Royal Ambassador - our boys. Through this organization your church can help boys grow into God fearing mission minded men. If your church does not have Royal Ambassadors, we urge you to start Royal Ambassador work in your church that your boys might not miss this blessing.
The Associational Brotherhood Officers and the Associational Missionary stand ready to help any church in any way to strengthen the existing Brotherhood or Royal Ambassador work.
Please call upon us if we can be of any help.

Respectfully submitted, Kermit Wilkerson, President

STEWARDSHIP REPORT

The Stewardship Committee of the Beulah Association stands ready to assist any church with the stewardship training. The chairman of the Committee represented the Association in Stewardship Seminar held in April 1967 at the Southeastern Seminary in Wake Forest. There are available two out standing one night conferences conducted by our state leaders. One is a one-night workshop dealing with the Growth in Christian Stewardship Program which is designed for smaller churches with a membership of 300 and under. In addition, a one-night Stewardship Conference dealing with stewardship in general. We have asked that one night be included in the Associational Calendar for August 6, 1968.
The report on the Cooperative Program Gifts for the first six months of 1967 show a small increase in this area of our stewardship. The report also shows that 79% of the churches contributing through the Cooperative Program. It is our prayer that 100% of our churches will be contributing before this year 1967 closes.
It is recommended that the Stewardship and Cooperative Committees reports be combined. This work comes under the same leadership in our State Convention.

Respectfully submitted, Vincent Williams, Chairman

EVANGELISM

The Associational Evangelistic Conference met on January 31, 1967, at the Longhurst Baptist Church under the leadership of the Reverend John Pinklea, chairman of evangelism. Several pastors and laymen attended the State-Wide Evangelistic Conference in Greensboro, February 6-8, to hear Dr. Vance Havner, Dr. Stephen Olford, and others.
The Associational Evangelistic Conference is scheduled for

(Continued)

January 30, 1968, at the Ca-Vel Baptist Church, and the State-wide Evangelistic Conference is set for February 5-7, 1968, at Greensboro's War Memorial Auditorium.

A very important and significant event took place in the Association this past year when a group of laymen and pastors met at the Ca-Vel Baptist Church on June 9, 1967, and decided to organize a law witness group in the Beulah Association. By-laws were adopted, and officers for the comin year were elected at a meeting held October 2, 1967, at the Somerset Baptist Church.

With the mobilization of dedicated men from across the Association in a program of witnessing for Christ, much can be done in our churches and in the association toward winning the lost to Christ. Please invite these men to help in your church. It will give them an opportunity to witness for Christ, will do your church a world of good, and it could mean the salvation of many lost people.

From all indications we have had a very good year for Christ in the churches of this Association. God has really blessed. However, I want t challenge you to win to Christ and baptize 300 people this year. When Jesus said "Go ye, therefore, and teach all nations," He meant for us to make disciples of them for Him. His plan still stands, and His promis is the same, "lo, I am with you always,". We can do this through the public proclamation of the Good News, and through personal soul-winning We should be making plans for the Crusade of the Americas set for 1969 April 6-20, 1969, are the suggested weeks for simultaneous revivals in this Association. Plans and suggestions for preparation for the Crusade are outlined in the 1967-68 Evangelism Plan Book.

My report has the following recommendation:

I recommend that the Beulah Baptist Association accept the suggested dates of April 6-20, 1969, for simultaneous revivals in our churches for the Crusade of the Americas, and that we earnestly seek to have every church in the Association participating in this great event.

Respectfully submitted, Douglas K. Spurlock, Chr. of Evangelism

COOPERATIVE PROGRAM REPORT

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question . . "What is the Cooperative Program?" is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is the support for all missionary causes at home and abroad. . it's preaching the gospel . . it's healing in the name of Jesus through hospitals and clinics everywher . . it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter in to partnership with God and one another in obedience to the command, "Go ..preach..teach..!"

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $5,787,311 through the Cooperativ Program, Supplementing this with Special Offerings amounting to $2,897,639, we had a total of $8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available our association gave $39,246.00 during the last year for World Missions through the Cooperative Program.

(Continued)

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That special emphasis be given to prayer for Cooperative Program causes during October.

(3) That in response to the special call of the General Board of the Baptist State Convention we increase our Cooperative Program giving by at least 10% during the coming year.

Respectfully submitted, W. R. McCollum

ANNUITY BOARD

There are twenty churches and pastors participating in Annuity Board Retirement Programs. This is four more churches and pastors of the Beulah Association than last year. There are still fourteen churches and pastors without this excellent protection plan.

Response to the new program of family and retirement protection during the first quarter of 1967 indicates enthusiastic acceptance by ministers and denominational employees. During the first three months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new Program, called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parent. These extra benefits are in Plan "A".

The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B"; and variable Benefit Plan, now Plan "C".

Information on the new Protection Program may be obtained from the annuity secretary in our state or from the Development Division, Annuity Board of the Southern Baptist Convention, 511 North Akard Building, Dallas, Texas, 75201.

Because of action taken by the trustees of the Annuity Board in February, each person receiving a guaranteed benefit from the Board was mailed a "dividend" check. This year each check was for an amount equal to one-twelfth of the person's annual benefit. These checks were made possible because of excess interest earnings. Approval was given to mail these dividend checks annually, providing the Board realizes an excess in interest earnings.

In 1966, more than $4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. The checks vary in amounts, depending on the length of service and the amount of dues paid into the Program by the member.

The cost of living continues to climb. A retirement program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten percent dues on total salary are recommended as minimum.

As of December 31, 1966, some 1492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection

(Continued)

Program for their pastors and staff members. Almost 12,600 of these churches were paying both member and church dues. There are 137 of the 176 agencies in the state conventions and the Southern Baptist Convention which have Protection Programs with the Board. A total of 8,121 persons are protected in the agency programs.
For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603 or write to the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

CHRISTIAN ACTION LEAGUE

The year 1967 has been one of war, riots, and confusion. Wars are spreading and crime stands today at an all time high. Law-and-order has broken down to an all time low, while our Christian Society has given way to vandalism, buring of one city after another, looting and killing while our government plays politics. Christian Action in America has not kept pace with Satan and his host.
We have seen this year our General Assembly legalize Brown-bagging, and set up bottle clubs all over North Carolina. This makes it easier for one to drink, and be protected by the law, while there is a link between Liquor and Crime, and Liquor and Health. The liquor-crime is based on studies in Philadelphia and Columbus, Ohio. Both found a high rate of intoxication in cases of murder, cuttings and other assaults. Two-thirds of all crimes in America involved drinking by the offender or the victim or both. A.U.S. Crime Commission's Report adds that drunkenness accounts for two out of three arrests in America each year.
HEALTH AND LIQUOR: The recent American Medical Associtions meeting in Atlantic City heard results of a study that showed heavy drinkers having a higher than average rate of high blood pressure, ulcers and cirrhosis of the liver.
This is not a very pretty picture, is it? We might ask ourselves the question. Where is the Christian Action suppose to fit into a society like this? And if we find that there is a place for Christian Action what has happened to it? Yes, there is a place for Christian Action in this state of turmoil, but it must be expressed in a deep concern for all mankind.

Respectfully submitted, John Wesley, Chrm.

CHRISTIAN EDUCATION

Last year, there were enrolled in the North Carolina Baptist Colleges 11,347 students. This represents approximately the same number enrolled the year before. Limited facilities, both in housing and in instruction, have made it necessary to turn away many qualified students.
The Baptist colleges in North Carolina and elsewhere in the Southern Baptist Convention continue to train the vast majority of the church vocational workers. Currently, there is the same concern in our colleges that is being expressed throughout our Convention about the decline in the number of young people answering the call to full-time Christian service. The Christian colleges, through the Council are currently seeking ways and means of cooperating more fully with local churches in an effort to reverse this trend.
However, the Christian college is not solely in the business of training fulltime Christian workers, for the vast majority of students attending a

Baptist college will return to their communities as laymen. These men and women return to their communities not only to assume responsibilities in the local church, but to bear a Christian witness through their professions in the community.

The Baptist Colleges in North Carolina continue to be grateful to the Cooperative Program and its vital financial support. For the year 1967 $1,578,960 was budgeted. In 1966, the Christian Education Day Offering was $ 132,046, and we are in hopes that there will be an increase this year.

The North Carolina Baptist Colleges have cooperated fully in the recent Convention-wide study of Christian higher education, sponsored by the Education Commission and the executive committee of the Southern Baptist Convention. In order to share this material fully with the pastor and churches in North Carolina, seven seminars will be conducted in the spring of 1968, one on each college campus. Pastors and laymen are urged now to attend one of these meetings.

CHRISTIAN LITERATURE

Someone has said that a well informed person reads. I would say that a well informed Baptist must read.

We are living in a day when great emphasis is placed on reading. There are reading teachers, reading specialists, and reading consultants in our public schools. They are there to teach children to learn to read. It is our job, as Baptists to teach our people to read to learn.

Our State magazine, The Biblical Recorder, is one of the best, We cannot overly emphasize its importance. Mr. Marse Grant, the editor, is doing an excellent job. His editorials are always informative and challenging. The Biblical Recorder should be in every Baptist home in our Association - and not only there, but should be read!

News about the children in our Baptist Children's Homes should be interesting to all North Carolina Baptists. Charity and Children gives this news as well as other happenings. Place this paper on your required reading list.

Let's start a reading campaign in our churches because never before has ot been as necessary to keep abreast of the affairs of the day, and never before have we had such a wealth of Christian literature. How fortunate we are to have good organizational literature, good periodicals and good phamphlets and books.

Respectfully submitted, Mrs. J. J. Woody, Sr.

FOUNDATIONS

Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital, The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two weeks ago. This has been the most fruitful year in the work

(Continued)

of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

It will be our purpose to have a representative in all the Associational Meetings to bring a last minute report on both the work of the Foundation and the condition of our fine leaders. Certainly all of us will continue to remember them in our prayers and best wishes.

BAPTIST HOSPITAL

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. This period parallels the period of development of our Baptist Medical Center in Winston-Salem. Today it stands as one of the very fine medical centers of our country.

It is a day of expanding research in medicine. Many of the fruits of this work seem almost like modern miracles. There are new means of diagnosing our ills, new drugs for combatting disease, new techniques in treating our ills, new instruments to perform these miracles, and new facilities for better care of the patient.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems. Psychiatry has developed, spiritual therapy is an important factor, and pastoral care is a part of the total care of the sick.

This is not the work of an institution alone - it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. We of necessity have to provide much of the means, for there are many who cannot pay for the care needed.

This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need - and even hear a "Well done," for "Inasmuch as ye have done it unto one of the least of these my brethern, ye have done it unto me."

Respectfully submitted, Herman C. Absher

CHILDREN'S HOMES

For eighty (80) years North Carolina Baptists have recognized the great need for, and have supported a program of child care. These have been rewarding years as boys and girls have grown up in this program into men and women whose lives have counted much for the Lord and His Kingdom. Since appreciation is expressed to all of you who have, in any way, helped to support this child care program. We are grateful, indeed, for the increased income through the Cooperative Program, the Thanksgiving Offering, and the other ways through which your work at the Children's Homes are carried out. We thank these, too, who took a special interest and visited the homes during the past year. It is during these visits that we get to know each other a little better and understand to a greater degree what we are trying to do together.

Several things have transpired this year which will enable us to do a

better job. During August we were able to move our purebred holstein dairy herd from Mills Home, Thomasville, to a new and modern facility at Kennedy Home. In exchange for the dairy herd, a like number of beef cattle have been transferred from Kennedy Home to Mills Home. This exchange will enable us to strengthen our over-all farm-feed program throughout the agency.

We covenant with you to face the future as we have the past; to offer Christian nurture to distressed children in the name of the Lord Jesus Christ.

Respectfully submitted, Mrs. H. LeRoy Huthmacher

MISSION: STATE, HOME AND FOREIGN

Christ has commanded us to "go into all the world." We cannot all go in person, but we can send our gifts. Not all churches in our association participated in all phases of our mission program in 1966. It is heart-warming to know, however, that all churches in our association gave to some mission cause.

In State Missions - 29 churches gave a total of $1,558.00
In Home Missions - 30 churches gave a total of $2,184.00
In Foreign Missions - 33 churches gave a total of $5,722.00

Although these figures show a slight increase over those for 1965, we should ask ourselves. "Are we doing our best? Are we obeying Christ's command?"

Respectfully submitted, Mrs. Wardell Breeze

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we have now moved into our new Home at Yanceyville, where we are able to care for 30 dear old people. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all of the Homes. As you know, besides the new Yanceyville Home, we have four other Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albermarle Home at Albemarle; the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents - the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. The offering for this day is now in excess of $111,000.00, the greatest offering we have ever received. (The churches in the Beulah Baptist Association gave $1,027.42 for this day). This vital offering will help to supplement 85% of those who need financial assistance in our Homes. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs. We urge the churches who have not had the joy of participating in this offering to do so.

We wish to thank all of our Baptist people across the State who are enabling those responsible to minister to the aging in Christ's Name, and

we want all of you to know that each of your 5 Homes exists for the people from all over our great State. The Homes could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in service of the Lord.

AMERICAN BIBLE SOCIETY

The American Bible Society shares the concern for worldwide missions which Southern Baptists are expressing in plans for the Crusade of the Americas and World Missions Year in 1969. The entire program of Bible Society work is founded on these basic missionary principals:

> People must have the Bible because it presents Jesus Christ, the one hope of men and nations. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak. The Bible is the essential tool of missions and evangelism. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave.

The American Bible Society is a worldwide missionary organization. It is an active partner in Southern Baptist work.

A program of advance is being carried on by the American Bible Society in cooperation with 34 other national Bible Societies around the world. In 1968 this program will enter its second phase with the theme, "God's Word for a New Age - the Book for New Readers." Its aim is to provide increased quantities of Scriptures urgently needed for mission work. During 1966 the American Bible Society rejoiced that some part of the Bible has been published in 1280 languages; the full Bible in 240. The Society set new records by distributing 39,981,620 Scripture volumes in the USA and a total of 61,815,238 volumes in over 400 languages, in some 150 countries around the world. In 1966 Southern Baptist churches gave $233,896 to the American Bible Society and ranked first among all denominations. Gifts from all churches in USA totaled $1,472,307. (Did your church make a gift this year? If not, please do so. Please send gifts to your Baptist State office marked "for the American Bible Society.")

MISSIONARY

"Help Wanted!" Anyone looking for a job may look in the newspaper in the "ad section" under the title "Help Wanted" and may find the very job that he has been lookin for. To carry on the work of Beulah Baptist Association requires the help and support of many people. As a matter of fact, it requires the help and support of every church and every person in the 34 churches if the association is to do all that needs to be done. Therefore, I am running in this report an "ad" entitled "Helpers Wanted". Will you look over this ad carefully and prayerfully and see the things that YOU can do to help the association render a more

   2. Need for giving tools to leaders so they can do their job more efficiently.
   3. Need for supplies and equipment.

Now you have looked this ad over and have seen some of the needs in our association, will you decide on the things that you can do to help and volunteer for service in the Associational Mission's Work?

It is the task of the Finance Committee to devise ways to raise the funds for the Associational Budget. Since our budget is rather small for an association as large as ours, our budget can be met quite easily by the following method:

(1) Each church is requested to contribute $1.25 per member toward our associational ministry. By so doing all the churches together will contribute $10,231.25.

(2) Our Association will receive $1,328.00 assistance from the Baptist State Convention of North Carolina.

(3) The Executive Committee voted in the September meeting to carry over $500.00 operating expenses, plus $250 for labor for planting shrubbery. The combined amount of these figures is $12,309.25 which will more than meet the budget.

The secret to this is that each church accept its own fair share of the responsibility for widening the ministry of our Lord through the work of our Association.

Respectfully submitted, G. Milton Bettini, Chairman; Clyde Kerley, Merrit Gillis, Mrs. H. M. Beam

MISSIONS COMMITTEE

The Missions Committee, consisting of Mr. W. C. Hopkins, Mr. Ellis Hudgins, Rev. L. G. Elliott, and Rev. Alfred Staley, met twice during the past year for the purpose of promoting the Associational Missions Program.

(1) The Committee promoted the Week of Prayer for Associational Missions. A briefing meeting for Sunday School Superintendents was held and, in cooperation with the Associational Missionary, provided materials for a suggested Sunday School Assembly Program to inform the people of our Associational Missions Program.

RECOMMENDATIONS FROM THE COMMITTEE:

That the Association approve the request for $1,500 from State Missions for our Associational Missions Program next year.

Because the Welcome Baptist Church has withdrawn fellowship from us and has refused to send a report to the Association; and has expressed the desire not to be a member of this Association; and that they are of the Independent Fundamental Faith, we recommend that the Association drop their name.

Respectfully submitted, Alfred E. Staley

TRAINING UNION

The program of the Associational Training Union for 1967-68 attempted to do three things:

1. To challenge the churches to look around their communities and find those people outside the usual sphere of the influence of the church and seek to establish a ministry to these people. This challenge was presented through the combined efforts of the Training Union and the WMU (a first combined meeting) at the "M" Night meeting in December. The challenge was presented in dramatic form by the Youth of the Roxboro Church.

2. To present two (2) of the three areas of responsibility of the Training Union's program of training. The program of New Church Member Orientation and the program of Leadership Training was presented at the second Training Union meeting held at the Cavel Church.

3. To determine the needs of the Training Unions of the Association in order to formulate a training program for 1968-69. This was attempted through a workshop held at the Front Street Church. (Continued)

RECOMMENDATIONS:

Certain basic needs were seen to exist in the churches (see item 3 in this report). The following recommendations are made in response to these needs:

1. It is urgently requested that each pastor support his own program of training and that of the Association through his own active participation and from the pulpit.

2. It is recommended that a workshop be held to present the training literature used in the training programs and demonstrate how to use them.

3. It is recommended that each church adopt a program of membership orientation for all members (old and new) that will reach all members so that the demands of the Christian Faith can be presented to all who call themselves by the name of our Lord.

4. It is recommended that each church conduct the following study courses during the 1968-69 church year;

a) New Church Member Orientation Manual by Earl Waldrup
b) The Ministry of the Deacon by H. B. Foshee
c) Called to Minister by A. L. Meiburg

The Association will help any church in her attempt to strengthen the training program in the church. Please, if you need help, or would like some assistance, contact the Associational Missionary and give him your request.

Respectfully submitted, Otis J. Wheelhouse, Jr., Director

SUNDAY SCHOOL

The task of the Sunday School is great. If the Sunday School is used by the church as it should be, it is the arm that reached out to find, enlist, win and train. The church grows through the Sunday School. The better the Sunday School functions, the more growth the church will realize. Eighty-five per cent of the baptisms of the average church comes through the Sunday School. This means that we need strong functioning Sunday Schools.

The aim of the Associational Sunday School Department is to help every church have a strong Sunday School. We cannot do this without an invitation from the churches. Upon an invitation from any church we will bring the best workers we can get in every department and meet with your workers in an effort to strengthen your Sunday School.

Much work and planning has been put in The Director-Led Sunday School Enlargement Campaign to be held November 2-7. I wish we had more churches participating in this program because of the benefit the churches will receive.

Respectfully submitted, Howard Laney, Supt.

WOMAN'S MISSIONARY UNION

Our watchword this year was Matthew 25:40, "Inasmuch as ye have done it unto one of the least of these...ye have done it unto me." We were to open our eyes and see the physical as well as the spiritual needs in our community.

The WMU held its Leadership Conference at the Westwood Baptist Church on October 8th, with 160 members present.

On December 4, our first night of Prayer for Foreign Missions was combined with "M" Night for the first time. The attendance was good with about 300 attending, and a most excellent program was presented.

On February 8th, a Mission Study Institute was held at the Providence Church.

On February 15th, the YWA Banquet was held with the Clement YWA's - meeting at the Bushy Fork Community House. Theme was "Love Demands My All".

The Annual Meeting was held April 30th, at the Providence Baptist Church with 190 present. Miss Kathryn Bullard, State WMS Director, gave a very informative message on "Changes in WMU work." The theme was "LOVE" and

Rev. Ted Janes, Assistant Director of Field Work at Southeastern Seminary brought a most challenging and inspiring message on our Watchword for the year. Cavel and Rock Grove were recognized as being an Honor WMS.

On May 17th a Mother and Daughter Banquet was held at the Roxboro High School Cafeteria, with 312 present. Theresa Baptist Church had the largest number present which was 43. The theme was "Love in Action", Rev. Art Collier, pastor of Clement brought a very appropriate message. On August 6th a Sunbeam Day Camp for 8 year old was held at the Associational Missionary's home with 31 attending. They enjoyed a nature hike, mission study, movie, handwork, music, refreshments and a weiner roast. On August 23 and 24 all our Associational WMU Leaders attended the State WMU Workshop at Forest Hill Baptist Church, in Raleigh, also Mrs. Edgar Dunevant, Mrs. Tom Gunter and Mrs. Hassell Lamm attended WMU week at Ridgecrest. The attendance has been excellent at all our meetings this year.

STEWARDSHIP

We are all stewards. God has entrusted each of us with a message to give to the world. We all have equal time and are permitted to choose the way we will spend it, but each of us must give an account of our stewardship.

God says in His word, "Bring ye all the tithes unto the storehouse...and I will pour out a blessing...", however many times we fail to take God at His word.

We also must give that others may live. The Cooperative Program Gifts' reports that for the first six months of 1968, 82% of the churches gave through the Cooperative Program. For the same period in 1967, 79% of the churches gave through the Cooperative Program. This means that during January 1 to July 1, twenty-eight churches gave through the Cooperative Program and six churches did not give.

We certainly hope and pray that we in the 20th Century may receive anew the stewardship call presented in the 1st Century by our Lord when He said, "Ye shall be witnesses...unto the uttermost part of the earth". We may do this by freely giving as we have so freely received.

Respectfully submitted, Frank Petty

EVANGELISM

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second is to see that the new life and purpose of God found in Christ is in the foreground of all our motives, attitudes and actions in personal cultural and organizational life and that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible to preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western Hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this Association are therefore urged to see that every church rightly faces this challenge.

For details on the Crusade consult the Guidebook for Baptists of North Carolina which has been mailed to all pastors, Sunday School Superintendents, Training Union Directos, WMU presidents and Brotherhood Presidents.

Several churches in the association have voted to participate in the Crusade. We hope to have every church in the association taking part in the Crusade next April 6-20.

As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

Respectfully submitted, Douglas K. Spurlock

CHRISTIAN HIGHER EDUCATION

The continued growth of the support by our Baptist people of the Cooperative Program is most encouraging, and we wish to take this opportunity to thank our Baptist people for the generous support through this means. For the year 1968, the following amounts were budgeted: Campbell - $272,377; Chowan - $163,100; Gardner-Webb - $154,945; Mars Hill - $234,864; Meredith - $234,864; Wake Forest University - $399,595; and Wingate - $171,255.

The enrollment for the year 1967, was as follows: Campbell - 2,351, Chowan - 1,302, Gardner-Webb - 1,300, Mars Hill - 1,370, Meredith - 969, Wake Forest - 3,163, Wingate 1,569.

We should like, also to report that we are grateful for the increased interest in the Baptist College Day and the number of churches participating. We urge our pastors and churches next year to contact our schools and ask for a team of Baptist young people to give testimonies concerning what going to a Christian College means to them. This visit could change the whole attitude of your congregation towards the Baptist colleges and the Cooperative program.

At the unanimous request of the college presidents, the Council on Christian Higher Education will again schedule forums on each campus of the seven Baptist colleges, to which pastors and other church leaders will be invited.

The Christian college campus is emerging once again as a great moral and ethical responsibility on the college campus. The denominations who grasp this opportunity to work with young people are the ones who will have the most effective Christian witness in America in the future. This is no time for retreating or retrenching. It is a time for positive Christian witness from our churches and from our Christian colleges. We believe that we have a mandate to re-establish a sense of Christian values in American life.

Respectfully submitted, Mrs. Douglas K. Spurlock

ANNUITY BOARD

IMPORTANT DATE FOR ALL NEW MEMBERS IN PLAN "A"

The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; this provision is called "Delayed Participation", commonly known as a "grace period". The grace period provision will become effective on January 1, 1969. The provision states that the grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This simply means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent

benefits will be proportionally reduced. The reduction will be the ratio which such years of delay bear to the total years from the grace date to the normal retirement date. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

Response to the new Program has been good. During 1967, 3,146 members joined some part of the three-plan Program. The plans in the Protection Program are: Plan "A" formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan "B" the Age Security Plan; and Plan "C", the Variable Benefit Plan.

Information about the Protection Program, including the "grace period" provision, may be obtained from the annuity secretary in your state at the Baptist Building, or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

CHRISTIAN ACTION LEAGUE

TELL IT LIKE IT IS:

As I began to write this report, I tried to call to mind some of the things that have happened this year. After much prayer and thought, I could see the year of 1968 - a year of ACTION, but not so much Christian Action. This has been a year of assassination, riots, wars and rumors of wars, burning, looting and killing. But with all of this taking place in the world, we need not look upon it with despair, but with hope and optimism, We as Christians believe that our God is still in the control room upstairs, and even though we be in the minority we know that one plus God will win the battle for Christ in the end.

Now to look at the Christians in action we can find some satisfaction in the record. Perhaps the greatest display of Christians in action is to be found in the results of the "Young American Week" with 30,000 people coming together during this crusade. Where 751 decisions were made, 271 professions of faith in Christ. As the result of this many church members reconfirmed their faith in Christ, and went back to their churches a better follower of Christ.

A look at our Beulah Association in action: 34 churches; membership 8,185; baptized 323 in 1967; which was a net gain of 113 over 1966. We hope to have a greater number of baptism this year than were reported in 1967. Pray, work and serve and we can "Do Together What We Can Not Do Apart."

Respectfully submitted, John M. Wesley

HOSPITAL

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital, as well as a vast amount of medical research being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. This Development Program includes a new power plant, paramedical school and new patient building.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. The gap has continued to increase between

the cost of free service and the money provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

CHILDREN'S HOMES

One of our basic needs is to know we are loved and wanted. As Christians we believe that every child should be reared in an atmosphere where he feels love and acceptance. Unfortunately there are many boys and girls in our state who have been neglected by their parents, hence they feel unloved and unwanted. Here is where our Baptist Children's Homes comes to the rescue of homeless children. Recognizing that there is no substitute for a child's own home, every effort is made to maintain a homelike atmosphere on the campuses. The homes maintain well balanced programs of worship, work, education and recreation. Last year more than 1,300 children were assisted in some type of service and this service was made possible by North Carolina Baptists and other friends of the Children's Homes. Four family style cottages have been constructed and dedicated during the past year-two at Mills Home and two at Kennedy Home.

Encouraging progress is being made in the capital fund campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. Two additional cottages will be constructed at Mills Homes during the coming year.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

As we think about the challenges of tomorrow that our homes will face, let us resolve to support this very important ministry through the Cooperative Program, the special Thanksgiving Offering and our other special offerings. As we pray and give let us remember that we are helping boys and girls grow into Christian adulthood, and thus fulfilling the words of our Lord, "it is more blessed to give than to receive." Acts 20:35b.

HOMES FOR THE AGING

Mr. William A. Poole, Superintendent, North Carolina Baptist Homes for the Aging, Inc., reports that the past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and the dedicatory service on April 25, 1968, with Governor Dan K. Moore as the principle speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptist of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had this vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

The pastors of Beulah Baptist Association have the joy of going each Wednesday morning to the Yanceyville Home, and leading the residents in worship. As each pastor has gone and shared in this experience, he has testified what a blessing it has been for him. The spirit of the residents is uplifting to all who have had the joy of fellowship with them. They are able to give some wonderful Christian testimonies.

AMERICAN BIBLE SOCIETY

No matter where man may be found, the American Bible Society, or its affiliates are there with God's Word.

In 1967, more than a million Scriptures were donated through Chaplains to men and women serving in the Armed Forces at home and overseas - an increase of 113% over 1966.

The Today's English Version of the New Testament, Good News for Modern Man, is only one example of how the American Bible Society is meeting its responsibility to serve those who will become the leaders of tomorrow's world.

An additional 46 new translations were reported for the first time in 1967. The goal of the American Bible Society is to provide a copy of Scripture for every person in the world in the language and form he can best read and understand.

During 1967 it cost the average American 30 cents to purchase and mail a greeting card to a loved one. The cost of translating, publishing and sending the message of God's love as revealed in the Scriptures to someone half a world away amounted to only 10 cents. This low figure was made possible not only through efficient operation, but by the dedication of thousands of Christians who supported the American Bible Society with their gifts and sacrificially gave of their time and talents in finding those in need of the Word and helping to distribute the same.

Southern Baptist stood well on top in denominational gifts to the Society with a cash gift of $218,509.02 in 1967.

More than 12,590 babies were born while you were reading this Book of Reports. Will they learn to build or tear down? Will they cherish or cast away? Will they love or hate? Will they make war or discover the pathway to peace? Will they find eternal life through Jesus Christ as promised in the Word of God?

MISSIONS - STATE, HOME AND FOREIGN

We realize that no statistical report can give us an adequate picture of what our association is doing in missions. However, it is interesting to look back and make comparisons - to see whether we are standing still or growing. In our 1966-67 associational year:

27 churches in our association gave a total of $1,324.00 to State Miss.
30 churches in our association gave a total of $2,116.00 to Home Miss.
32 churches in our association gave a total of $6,646.00 to Foreign Missions.

These figures show decreases over the previous year in our gifts to State and Home Missions. It is heartening to note that our gifts to Foreign Missions increased almost $1,000.

We pray that God will give us the vision to see the world with all its needs as He sees it; and that He will give us hearts of love to respond.

Respectfully submitted, Mrs. Wardell Breeze

MUSIC DIRECTOR

Music is an important aid to worship. It is a means for all the people of God to give voice to their feelings of adoration and praise. Southern Baptists are fortunate to have the help of their Association, State, and Convention personnel in planning an adequate music program in the local church.

The Church Literature Department publishes several magazines that can be of great benefit to the musicians in any church. The Church Musician is a monthly magazine for the adult choir. It has a 24-page music section of anthems and hymn arrangements. The Youth Musician and The Junior Musician are published quarterly, and each contains a 16-page music section plus articles and stories of interest to Intermediates and Juniors. Recordings are also available of the music in these magazines.

Any choral group must have ample and adequate musical literature to perform to their top level of ability. Each church should have funds allocated in its budget for the purchase of suitable hymnals, sheet music and anthem collections for all its choirs.

BROTHERHOOD

Our Brotherhood is a part of our Church. It has the job of helping men, young men and boys to see the importance of telling persons everywhere about Jesus Christ and His love for all persons and guiding them. Baptist men and missions go together. This combination with the help of God through the Holy

Spirit can revolutionize a neighborhood community, city, nation and world for Christ.

Let us not forget our Royal Ambassador - our boys. Through this organization your church can help boys grow into God fearing mission minded men. If your church does not have Royal Ambassadors, we urge you to start Royal Ambassador work in your church that your boys might not miss this blessing.

The Associational Brotherhood Officers and the Associational Missionary stand ready to help any church in any way to strengthen the existing Brotherhood and Royal Ambassador work.

Please call upon us if we can be of any help.

Respectfully submitted, Kermit Wilkerson, Pres.

ASSOCIATIONAL MISSIONARY

I have been asked many times: "What does an Associational Missionary do? What are his duties and responsibilities?" The role of an Associational Missionary or Superintendent of Missions is not exactly the same in any two associations, because the associations are not the same and their needs are different. Most of the associations have written job descriptions for the Associational Missionary. Also job descriptions for the Associational Missionaries have been written by the Home Mission Board, the State Convention and by various Associational Missionary groups. To help you to become better informed about the role of the Associational Missionary I am including in this report a job description for the Associational Missionary drawn up by Associational Missionaries from all our states meeting at Gulfshore Baptist Assembly, Mississippi in 1963.

THE ROLE OF THE ASSOCIATIONAL MISSIONARY

I. Administrator-Overseer:

1. He will assist the association in developing objectives and goals based on the needs of the churches.
2. He will assist as requested the churches as they seek to define their objectives and make long-range plans for the reaching of those objectives
3. He will assist the association in planning, establishing, conductin coordinating and evaluating the organizations and programs needed to help the churches in achieving their objectives.
4. He will assist associational leaders in the performance of their responsibilities by supplying information, leadership training, and guidance as needed. He will help recruit, encourage and assist members of the church who will accept associational leadership roles.
5. He will provide assistance in developing an associational budget.
6. He will assist groups preparing to organize into churches.
7. He will assist churches in evaluating their programs, their organizational structure, their constitution and by-laws and their administrative procedures.

II. As Shepherd and Prophet:

1. Counsel with churches, pastors and other leaders when needed in times of stress.
2. Assist pastorless churches as requested.
3. Assist pastors and others in counseling those who are called into church-related vocations.
4. Advise churches as requested concerning ordination.
5. Give attention to moral and social issues in the community, encouraging united effort against threatening evils.
6. Aid in the training of pastors and other leaders through Seminary Extension Courses, Pastors' Schools, Conferences, Study Courses, Clinics, etc.

III. As Interpreter and Communicator:

1. Supply to State and Southern Baptist agencies information about needs, problems and potentialites within the association.

2. Interpret to churches the program resources and other assistances available from state and Southern Baptist Agencies.

3. Present to the churches information about the programs they have chosen to engage in cooperatively with state and Southern Baptist Convention agencies. The missionary like the association itself, has a legitimate role in promoting denominational programs at the state and national levels.

4. Interpret to the general public the ministries being performed by the churches and the denomination.

Respectfully submitted, Hassell Lamm

FINANCE COMMITTEE

It is the task of the Finance Committee to devise ways to raise the funds for the Associational Budget. Since our budget is rather small for an association as large as ours, our budget can be met quite easily by the following method:

(1) Each church is requested to contribute $1.25 per member toward our associational ministry. By so doing all the churches together will contribute $10,500.00.

(2) Our Association will receive $1,328.00 assistance from the Baptist State Convention of North Carolina.

(3) We are beginning the new year with a balance of $1,927.63. These three amounts project an anticipated total of $13,755.63.

(4) As a part of this report the finance committee recommends that from the $1,927.63 balance $1,000.00 be set aside to cover the cost of providing a drive to the garage of the association parsonage; and to install storm doors, and that $250.00 be retained to pay for the cost of planting shrubbery at the parsonage.

The secret to having funds for the work of our association is that each church accept its own fair share of the responsibility for widening the ministry of our Lord through the work of our Association.

Respectfully submitted, G. Milton Bettini, Chairman; Stiles Ellyson, Merrit Gillis, Mrs. H. M. Beam

DRIVEWAY COMMITTEE

The driveway committee recommends that a paved driveway be constructed from Lakeshore drive to the associational parsonage garage according to a plan submitted by Mr. Penny Long and not to exceed $800.00 in cost.

Respectfully submitted, G. Milton Bettini, Chm.

MISSIONARY'S REPORT

The Association is the oldest and most important organization of Baptist Churches. It is vital to the fellowship and development of the churches. It is the connecting unit of denominational organization between conventions, boards, agencies, and the churches. Well organized and functioning association mean stronger churches and a greater denominational program.

Primary functions of the association are: to promote fellowship among the churches; to build strong, efficient churches through promotion of the whole denominational program in each church; to proclaim the gospel through missions and evangelism to the whole world, through sponsored mission work and the Co-operative Program.

In order for the association to function properly and to be a real help to the local churches, the local churches must support the association with their resources. For all the resources and help the association has to offer to the churches must come from the churches. Actually, an association is a group of churches pooling their resources together in order that they all might be mutually helped and that the kingdom of God might be advanced.

One individual church working alone will soon find difficulties and experience limitation in seeking to project its work into all the world. The average local church working alone could not begin to support a missionary in the state, one in the destitute places in the homeland, and another in one or more foreign lands, maintain an orphanage, a Christian school, a hospital, care for the old, and do other things too numerous to mention. The Baptist churches must work together if the local churches are to project themselves out to the uttermost parts of the world in the most effective way is so evident that discussion is not necessary. Therefore, we urge all the Christians and Churches in Beulah Association who are united in Christ by redemption to be united in prayer, purpose and action for the cause of Christ Associational Missions.

SUNDAY SCHOOL

The Sunday School is an important part of our church program. It becomes the cutting edge of all our work because Sunday School provides a place for and assigns someone responsible for each prospect for our church. Our

Sunday Schools should be staffed with dedicated and trained leadership. This requires a continous training programs.

The Associational Sunday School Organization has as its purpose to aid each church in having the best outreach, Bible teaching, and evangelistic program that is possible for the church to have. Last year the Associational Sunday School Organization promoted a Director-Led Sunday School Enlargement Campaign. There were a little more than one third of the churches participating. The results of this campaign was encouraging and we thank God for all that was done.

The Associational Sunday School Organization will attempt in the coming year to aid the churches in their on going program of Bible teaching, of reaching all prospects for the church, and also will endeavor to give information to each church on the new program for the 70's. The help that can be given to the local church will depend on that church requesting the help of the Association. The Associational Organization urges each church to request the help that they may need.

Respectfully submitted, Alfred E. Staley

BROTHERHOOD

A Brotherhood program in a Baptist Church is composed of one or more of the following units: Baptist Men, Baptist Young Men, Royal Ambassador. If a church has any of these units, it has a Brotherhood work. The objective of Baptist Men is to assist the church in its task of leading men to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions.

Baptist Men perform four task for the church. They are: (1) Teach Missions to all men; (2) Lead all men to participate in mission activities; (3) Provide organization and leadership for special projects of the church; and (4) Provide and interpret information regarding the work of the church and denomination.

The actions of Baptist Men are centered in missions. In reality they are church mission actions being met by concerned men. Every church faces mission opportunities. They need to be isolated, studied and met. To discover and meet needs is a prime purpose of Baptist Men. Baptist Men exist for the church. Its work is a vital part of the total ministry of the church. It seeks to make missions live in the minds, hearts, and lives of all the men of the church. Baptist Men and missions go together. This combination with the help of God through the Holy Spirit can revolutionize a neighborhood, community, city, nation and world for Christ. Make Baptist Men in your church really count. It can and will if.....

MUSIC MINISTRY

There was a time in Southern Baptist life when each program organization to a large extent developed its own program and selected materials without attention to the other programs. This is no longer the case. There is now correlation and coordination as each program organization seeks to contribute significantly to the objectives and goals of the church. This emphasis on coordination has brought into focus the necessity for selecting curriculum materials, and music materials on the basis of their effectiveness upon the total church life.

It was with the purpose of helping the local church to be better prepared in its music program that the associational school of music was held this past year. The school of music was held at Westwood Church, May 5, 6 and 8 under the leadership of Rev. Art Collier, former associational music director. Ten of our churches were represented with a total enrolment of 60 persons.

The faculty for the school of music were Charles Gatwood, Associate in State music department, Mrs. Ann Daniel, Music Director of First Baptist in Oxford, and Al Foy, Minister of Education and Music at Roxboro Church. Classes were held in Rehearsal Procedure, Music in Worship and Hymn Study.

Special music studies will be conducted in the future to assist our churches to make the best use of music in worship and fellowship. Each church is urged to use the church music literature available from the Sunday School Board.

Respectfully submitted, Kenneth M. Johnson

STEWARDSHIP

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad--it is preaching the gospel--it is healing in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go...preach...teach!"

Let us resolve to pray earnestly for Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance.

According to records available our Association gave $22,265.11 (January 1, 1969 - June 30, 1960). These records show 82% of our churches contributing through the Cooperative Program. It is our prayer that 100% of our churches will be contributing before this year of 1969 closes.

Following are worthy recommendations for each church:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That each church have a special prayer for Cooperative Program causes and observe or recognize Cooperative Program Sunday.

(3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

EVANGELISM

The Associational Evangelistic Conference met January 30, 1969, at the Westwood Baptist Church. The Associate Director of Evangelism for the state of North Carolina spoke on the "Crusade of the Americas." The conference was well attended by pastors and laymen of the Beulah Association.

The Crusade of the Americas bore evidence in some places across the state as being genuine spiritual revivals. Where God's people sowed bountifully they reaped bountifully. In our Association the Crusade was April 6-20 with most churches participating. Reports indicate that the Crusade was very successful. There were 305 additions by profession of faith and 125 additions by letter.

As we look to the future in Evangelism we should take note of what happened this year where outstanding revivals were experienced. this will give us some guide lines for future plans in evangelism.

1. In every church where an unusual revival was reported there had bee an unusual prayer concern and prayer participation on the part of the church people.

2. Some of the most powerful revivals in our State started among young people. This is certainly encouraging that young people are responding to God's call.

In light of what has transpired this year there are some "musts" for the future: 1. To seek earnestly to be completely assured in our hearts and minc that the only hope for us and all people is Christ - Christ as Head, His

gospel as revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.

2. To purpose to engage daily in searching the Scriptures and in praying for spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue steadfastly therein.

3. To proclaim faithful with our lives and "publicly from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all our church plans, programs and activities.

CHRISTIAN HIGHER EDUCATION

The Division of Christian Higher Education of the Baptist State Convention of which Dr. Ben C. Fisher is director, functions chiefly through the Council. The Council membership is made up of Dr. Ben C. Fisher as executive secretary, eighteen members of the Education Committee of the General Board, seven College presidents, seven chairmen of boards of trustees, and seven academic deans. Ex-officio members include the president of the Convention, and the president of the State Woman's Missionary Union.

North Carolina Baptists now have a university, four senior colleges, and two junior colleges: Wake Forest University, Winston-Salem; Campbell Senior College, Buie's Creek; Mars Hill Senior College, Mars Hill; Meredith Senior College, Raleigh; Gardner-Webb Senior College, Boiling Springs; Chowan Junior College, Murfreesboro; and Wingate Junior College, Wingate.

There are currently enrolled in all North Carolina Baptist colleges approximately 12,000 students.

In these institutions there are more than 500 young men and women preparing for full-time Christian service. This includes those preparing for the gospel ministry, to be missionaries, educational directors, directors of church music, Christian College teachers, chaplains and denominational workers.

The Christian college operates on the basic assumption that apart from religious commitment life can have no ultimate meaning. Jesus Christ is the foundation of all truth and provides the frame of reference in which all knowledge can be examined and used for the good of man and for the glory of God, and two cannot be separated.

The Cooperative Program is the Baptist college lifeline. Administrations, faculties, students, trustees, and alumni are deeply grateful to North Carolina Baptists for this support.

The Baptist College Day offering has become another significant means of financial support to our Baptist colleges.

With our gifts through the Cooperative Program and the Baptist College Day offering, there is still a need for financial support, and each church is urged to participate.

Respectfully submitted, Mrs. Kenneth M. Johnson

CHILDREN'S HOMES

The Baptist Children's Homes, Inc., offers a unique ministry to more than 1,200 children of North Carolina and their families annually. North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children. The Children's Homes, a multiple-service social agency of the Baptist State Convention, provides: Group living on five campuses, care for children in need of specialized assistance, foster homes, caseworkers for individuals and families and many other family services. An additional service will go into operation in the fall of this year, the service will be to unwed mothers and their offspring. The home is being developed in Asheville, North Carolina. As the needs increase so does the need for more facilities and more personnel and all of

this adds up to one thing, that more income is needed. We believe this ministry is so vital and important that the Baptists of North Carolina will continue to support it with their prayers and gifts. The life-line of this ministry is the Cooperative Program, the Thanksgiving Offering and special gifts, let's keep the life-line open, let's enlarge it for the glory of God and the betterment of man.

CHRISTIAN LITERATURE

The object of Christian literature is to bring men, women, boys and girls to God through Jesus Christ by making available a creative selection of printed material. These periodicals, books, etc. are available from the Baptist Book Store and the various agencies of our convention.

We know that in this productive period of printed materials, you cannot read all that comes to you; you must be very selective in what you read. Our own state Baptist paper, The Biblical Recorder, edited by Mr. Marse Grant is a must in every Baptist home to keep us informed about our work here in the state. Charity and Children is another must for North Carolina Baptist.

Other magazines and periodicals which should be on the top of our required reading list are: The Commission, (Southern Baptist Foreign Mission Board Journal) and The Home Mission Board magazine.

Much of the Christian literature now available to us is geared to the interest of the entire family, such as Home Life magazine and many others. Your pastor will be able to assist you in the selection and in acquiring these materials.

Good accessible Christian Literature is almost inexhaustable. According to a report from the Convention Press, forty-nine new books were printed and reprints were produced of eighty-nine old titles in 1968, and I am sure 1969 has made many more available.

Reading is necessary to keep abreast of the affairs of the day. It is very necessary if we are to have any appreciable, effective Christian witness to the people to whom we are to speak in our daily conversation.

MISSIONS: FOREIGN, HOME AND STATE

God uses His people to carry out His missionary plan for the world. As we seek to find our individual places in that plan, we discover that we are commanded to go into all the world

Sometimes we may feel that we have done our share because we have prayed for our missionaries throughout the world. It is not enough that we merely offer up prayers for missions. We must show our real concern for others in our gifts. Giving is a very important part of our worship.

In our 1967-68 Associational year:

30 churches in our association gave a total of $1,454.00 to State Missions.

32 churches in our association gave a total of $2,788.00 to Home Missions.

32 churches in our association gave a total of $8,581.00 to Foreign Missions.

Although we had more churches participating in missions, our giving shows a decrease in foreign missions over the previous year. God grant that we may not become so wrapped up in our local affairs that we lose our world vision.

BAPTIST HOSPITAL

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the differences between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

TRAINING UNION

1. New Features of the Training Program -

The training program in the 70's will be flexible and varied in order to meet needs of individuals and groups. It will continue to help church members gain knowledge, understandings, and skills needed in filling the church's mission. New features will include:

*The new grouping-grading plan

*A correlated curriculum for all ages, carried in materials with fresh, more attractive formats

*Increased emphasis on short-term training and interest grouping

*A wider selection of elective training courses designed to meet specific training needs

*More emphasis on self-instruction as a training approach

*An improved general achievement guide and age division achievement guides

While all church members are recognized as the primary constituency of the training program, distinctive needs of new church members and church leaders will be met through approaches and materials designed especially for them. In addition, the training program will provide for preschoolers and children

(ages birth through eleven) foundational learning experiences that will acquaint them with the curriculum areas of the program.

2. The Tasks of the Training Program -

The training program of a church is concerned with preparing "all God's people for the work of Christian service, to build up the body of Christ" (Eph. 412, TEV). In recent efforts to analyze the nature and functions of a church and to identify all work which should be programmed, the following tasks have been recognized as the training program of a church.

(1) Orient church members
(2) Train church members to perform the functions of the church
(3) Train church leaders
(4) Teach Christian theology, Christian ethics, Christian history and church polity and organization
(5) Provide and interpret information regarding the work of the church and denomination.

These tasks are the basic structure of the training program. The first four are primary responsibilities of the training program; the fifth is shared with all other church programs.

AMERICAN BIBLE SOCIETY

People must have the Bible; because, it presents Jesus Christ, the one hope of men and nations. Each person must have the Bible in his own language, because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the missionary cannot go. It can stay on after he must leave, and keep on speaking to a person's heart.

The American Bible Society is a missionary non-profit organization, serving churches of many denominations in the U.S.A. and abroad.

"God's Word for a New Age"- is the theme of the program of world-wide missionary advance being carried on by the American Bible Society, in cooperation with 34 other national Bible Societies around the world. Its aim is to provide greatly increases of Scriptures urgently needed for mission work. Long range goals are:

- A Bible for every Christian home
- A New Testament, at least, for every Christian
- At least a Gospel, or other complete book, of the Bible for everyone who can read
- An opportunity for every church member to share in local Scripture Distribution.

During 1968 the American Bible Society: Published in 1,392, spoken languages - spoken by 97 percent of the world's people; the full Bible in 242, a Testament in 320, a Gospel or other complete book in 830 more. In 1968 Scriptures were published in 67 new languaged.

American Bible Society in 1968 gave 2,153,015 volumes for distribution by Chaplains to our Armed Forces and Veterans Hospitals.

Set a new record by distributing 51,634, 211 Scriptures volumes in the U.S.A. and 77,950,978 in over 800 languages, in 150 countries. Total distribution 110,488,279 volumes.

CHRISTIAN ACTION

God is not dead, but is very much alive. In spite of all that we see and hear today it is not all bad. With wars, riots, crimes and much confusion I for one believe and know that there are yet many Christians in Action, and that back behind all this there is one great and eternal God whose strong and

eternal hands are still in the control room and He is guiding His world to its true destination.

I am concerned but not dismayed with our world conditions. For God has seen much worse times than we are seeing now; the flood, and Sodom and Gomorrah, and He always knew just how to deal with each situation, and I feel sure He will take care of this troubled world that we now live in.

The Crusade of the Americas and the many good reports which we hear from many churches, pastors and our Crusade leaders are but one sign among many that there is an evangelistic zeal yet in the whole world, and there is still many thousands; yea, millions of good Christians who believe that there is nothing so wrong with this old world that getting people saved won't cure.

So My Dear Brothers and Sisters in Christ, I urge you to get into the Action, and I mean Christian Action.

Respectfully submitted, John M. Wesley, Chairman

HOMES FOR THE AGING

Never before have your Baptist Homes for the Aging been more conscious of the Lord's presence and of his goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb with a sizeable deficit looming larger by the moment, a time when the weather was at its severest on the day of the Special Offering (the third Sunday of February), the churches rendered an offering that promises, at this point, to be the greatest in the Homes' history. The Homes for the Aging are grateful to God and to the Baptist People of North Carolina for the gracious gifts of love which have met the needs of the elderly people.

The two primary means of support for the Homes for the Aging are the Special Offering and the Cooperative Program, and through these two sources, one-third of the needed income is derived for ministering to the residents of the Homes. The majority of these people are financially dependent, so that the cost of operating our Baptist Homes is enormous, especially with the rising cost of living. Therefore, our Baptist Homes hope that the Baptists of North Carolina will continue to give generously.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity; consequently, our five Homes are now ministering to almost 200 older men and women. Besides Yanceyville, our Homes are located in Winston-Salem (Resthaven Home and Hayes Home), Albemarle (Albemarle Home), and Hamilton (Hamilton Home). The residents of these Homes are finding much happiness in Christian companionship with persons of their age group, and they find security in knowing that they will be loved and cared for in sickness and in health. May we continue to support these people with a ministry of prayer and a ministry of giving.

Respectfully submitted, Dean Baughn

FOUNDATION

The assets of The North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a service arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation

to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

BIBLICAL RECORDER

The year 1969 has been one of the most significant in the 136-year history of the Biblical Recorder. True, we cannot point to any spectacular gains in circulation, but each week the Recorder is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a centruy and a half the Recorder has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark--an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the Recorder gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of The Trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The Recorder should be in every Baptist home.

We will continue to speak the truth in love.

Respectfully submitted, Hassell Lamm

ANNUITY BOARD

There are twenty-one churches and twenty-three ministers participating in the Southern Baptist Protection Program. One of these participants is an associate minister and another is our associational missionary. There are thirty-three churches in the Beulah Association. With only twenty-one churches participating, there are thirteen churches making no provisions for their pastors protection through the Annuity Board Program.

The inflationary trend continues to affect the buying power of everybody, including the retired. To help meet the needs of retiring ministers, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an excellent retirement income. Many churches and agencies are upgrading their retirement programs by contributing 10% of total salary.

Until a few years ago a participating member paid dues on a maximum salary of $4,000 but the cost of living continues to rise and a retirement program based on this figure is no longer adequate. Churches and agencies are now urged to pay 10% of the total salary of their ministers, church staff members, and denominational employees. The Annuity Board and the State conventions heartily recommend this action.

The three-plan Protection Program includes: Plan "A", the basic retirement fund for which 10% of total salary is recommended; Plan "B", the supplementary fund; and Plan "C", the variable fund.

We strongly suggest that every church in the Beulah Association participate in this Protection Program.

Respectfully submitted, L. G. Elliott

CONSTITUTION COMMITTEE

The Constitution Committee recommends to the Beulah Baptist Association at its Annual Session of 1969, that the title "Associational Missions" be changed to "Superintendent of Missions." It is felt that this title would be more fitted to this particular office in that all Christian believers are to be Missionaries wherever they may be.

The title Superintendent of Missions will also be more in keeping with the majority of the associations throughout the Southern Baptist Convention which are now using the title, thus making this title more prominent and current in our literature and usuage.

Therefore, the following changes in the Constitutions are recommended:

(1) That under Article III, headed Officers, section one, the title "Associational Missionary" in lines two and three be changed to "Superintendent of Missions."

(2) That under Article III, section two, the words"...except the Associational Missionary on the second day," be changed to read,"...except the Superintendent of Missions on the second day."

(3) That under Article VI, headed Council, and in section one, the words "the Associational Missionary shall be chairman of the council" be made to read "the Superintendent of Missions shall be chairman of the council."

(4) That under Article VII, headed The Executive Committee, and in section one, the word "Missionary" in line two, be made to read "Superintendent of Missions."

(5) That under Article VIII, headed Standing Committees and their Duties, and in section two, the words "Associational Missionary" be changed to Superintendent of Missions" and again the word "Missionary" in the following line be changed to "Superintendent of Missions."

(6) That under Article XII, headed Duties of Officers, and in section five, the words "The Associational Missionary, as a duly elected officer", be changed to read, "The Superintendent of Missions, as a duly elected officer..."

Respectfully submitted, The Constitution Committee: Earl Webb, Chairman; S. H. Abell, Peter Grandal

WOMAN'S MISSIONARY UNION

Our watchword for the year 1969-70 is "Our love should not be just words and talk: it must be true love, which shows itself in Action" (I John 3:18).

Christians are admonished to show love, not by hymns and professions alone, but by daily life. The application of this rule is surprising because of its down-to-earth practicality. Through Woman's Missionary Union's plan of mission action, Christians can show their love as they minister and witness to persons of special needs. Mission action is a one-to-one ministry - like the ministry of Jesus.

When the occasion arises, Christians ought to show their love, for in so doing, they show themselves to be the children of God.

Our hymn for the year is "Seal Us, O Holy Spirit."

Seal us, O Holy Spirit,
Make us Thine own from this hour;
Let us be useful, dear Master,
Seal us with witnessing power.

The words of this hymn can become a meaningful prayer for members of Woman's Missionary Union as we endeavor to live the spirit of Christ in belief and relevance during the year 1969-70.

Our Annual meeting was held with the Bethel Hill Baptist Church with 180 attending. The afternoon message on "Ye Are Witnesses" was delivered by the Rev. Alfred Staley, pastor of the Longhurst Baptist Church. Special music was rendered by Rev. Arthur Collier and by the Cavel Baptist Church choir, Mrs. Robert Hensley, Missionary to the Bahamas was the evening speaker.

The YWA Banquet was held at the Person County Building with the Cavel YWA's as host. There were about 100 present. Rev. Jimmie Hancock brought the message.

The GA Ralley was held at the Roxboro Baptist Church with 187 attending. The movie, "Hey There, Vonda" was shown and games were lead by Rev. Alfred Foy.

Sunbeam Day Camp was held at Westwood Baptist Church with 40 attending. All our Associational WMU Meetings have been well attended. Five associational leaders attended the State WMU Workshop at Rocky Mount.

The WMU Leadership Conference was held at the Cavel Baptist Church with 150 attending.

May we hear the voice of Jesus as He speaks to us and may whatever we do be done out of hearts of Love.

Respectfully submitted, Margaret Lamm, WMU Director

APPRECIATION COMMITTEE

On behalf of the Beulah Baptist Association, we would like to express our thanks to the Antioch Church, its pastor, and members for being host to this 135th Annual Meeting; to our Moderator, officers and all who had a part in making our advance reports. We also recognize the fine work of the Registration Committee, the Flower Committee for the lovely flowers and the Program Committee who planned, prepared and provided the program for this meeting.

We express our gratitude to Rev. Alfred Staley for the challenging and inspirational message, and to the musicians for the special music.

We especially express our thanks to all those who made the delicious meal available.

Respectfully submitted, Mrs. Kenneth Johnson, Mrs. T. O. Dudley

For the many blessings of this day, we, of the Beulah Baptist Association wish to express our appreciation to all who helped make these blessings possible. We give thanks to Almighty God for the blessings of this day. The warm hospitality and the beautiful flowers provided by the host church are appreciated.

Our appreciation is given for the fine program, the beautiful music, and the challenging messages.

Gratitude goes to the Moderator for his efficiency, and to the clerk for his faithful service, and to all the other officers who worked diligently during the year.

Our thanks go to the Yanceyville Baptist Church for its friendly hospitality and Christian atmosphere. The people of this church have made this a profitable and enjoyable occasion.

Respectfully submitted, Mrs. H. D. Young, Mrs. Fred Braswell

RESOLUTION COMMITTEE

WHEREAS the State Fair of North Carolina meets on the Lord's Day to carry on business in the form of entertainment and legalized gambling in this our sovereign state, and

WHEREAS the State of North Carolina and the city of Raleigh has "blue laws" which prohibit the operation of such businesses on the Lord's Day, and

WHEREAS it is very probable that if this type of thing is continued on a state level that it will eventually evolve to the county and city level and directly affect our local communities,

THEREFORE, let it be resolved that the Beulah Baptist Association raises its voice in protest of the State Fair carrying on its operation of business on the Lord's Day on the grounds that it descretes the Lord's Day, overrides the Blue Laws of the state, and will eventually bring detremental affect in our local community.

LET IT BE FURTHER RESOLVED: That a copy of this resolution will be placed in the hands of our Associational Clerk who will send a copy to the Biblical Recorder and the Clerk of our North Carolina Baptist Convention.

SUNDAY SCHOOL

The Bible Teaching Program of our churches has expanded far beyond the Sunday morning teaching period into the week day Bible teaching and often beyond the four walls of our churches. The Sunday morning teaching program is still the major Bible teaching effort of the Church.

The Associational Sunday School Organization has held four meetings this past year with conferences for age groups with the goal of trying to help each local church to be prepared to enter into the 70's with a clear understanding of the new organizations and new literature. There has been special personal service rendered to several churches and also the meeting "Shaping the 70's" was held. The churches are responding in a very fine way to the new Bible Teaching Program and this gives new hope for our world today.

The Sunday School Organization stands ready to help any Church that may need their assistance. Time and ways can be worked out to give most any service that is needed. Please call on them for any service any time.

Respectfully submitted, Alfred E. Staley, S.S.Supt.

TRAINING

The Associational year of 1969-70 was fairly good. Last December, "M" Night was held at the Roxboro Baptist Church with Rev. Frank Petty as the inspirational speaker. One-hundred-twenty-nine people attended this program which also featured a filmstrip concerning the new Church Training Literature. In February, several Church Training Directors met with me in the "Shaping the 70's Clinic" held at the Somerset Church. I was very pleased with their response and participation. This summer I had the privilege of meeting with other Associational Directors at one of the Church Training Weeks at Caswell. Now I am praying for great things to happen in our association. I will begin working more closely with the pastors and Church Training Directors in hope that the people in the various churches will be caught up in the joy of Christian discipleship through the fellowship of Christian Training.

Respectfully submitted, Stiles H. Ellyson, Jr.,
Assnl. Church Training Director

CHRISTIAN LITERATURE

The objectives of the Southern Baptist Program of Christian Literature are worthy of deep consideration. These are: to edit, produce and distribute general, curriculum, study and reading materials which will help persons become aware of God as revealed in Jesus Christ, respond to him in a personal commitment of faith, strive to follow him in the full meaning of Christian discipleship, to live in conscious recognition of the guidance and power of the Holy Spirit, and grow toward the goal of Christian maturity. Also, to produce materials helpful to churches in their endeavor to minister to the needs of mankind.

In the year 1969-70 we have produced a most versatile Church training system. This is made up of seven series of study materials which if used properly should meet the needs of every size church and the people of every walk of life.

During the last year, publications of new books has risen from forty-nine to fifty-four, even though we were in the process of printing an entirely new set of quarterly training literature. There were one hundred twenty-six reprints. These totaling 1,158,630 books. Among these you will find some of the deepest thoughts and ideals of Christian experiences which have been produced in many years.

Audio, and Audio-Visual aids have become a great part of our teaching program in the past few years. Through the Cave Plan and the Department of Communications of The State Baptist Convention, these films, filmstrips,

tapes and recordings are made available to you at little or no cost. I urge you to take advantage of our great resources.

Respectfully submitted, Howard Von Wood

MISSIONS

The Missions Committee offers the following recommendation:

That the Association approve the request for $1,500.00 from State Missions for our Associational Missions Program next year.

Respectfully submitted, Herman C. Absher

EVANGELISM

The Beulah Baptist Associational Evangelistic Conference met February 10, 1970, at the Longhurst Baptist Church. The Rev. William C. Lamb brought the message on evangelism. The members were inspired through the evening from each speaker sounding and resounding the theme on Evangelism 1970, "Believe Christ and Live His Spirit."

All during this Evangelistic Conference the plea and challenge was to return to II Chronicles 7:14, "If my people which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from Heaven, and will forgive their sin, and heal their land."

Some suggestions were offered by your Chairman of Evangelism, "THE CHURCH SHAPING THE 70'S - THROUGH EVANGELISM":

1. Pray, and then pray some more, and challenge others to pray. Prayer changes things.
2. Preach the word - use the Church Pulpit as a launching pad - to set a flame of evangelism burning - in your church and community.
3. Use the organizations of your church.
   a. Use your church choirs to inspire the hearts to worship.
   b. Use your Sunday School to teach God's Holy Word.
   c. Use your Training Union to train people to be evangels.
   d. Use your Deacons as Spiritual Leaders.
   e. Use your WMU to keep the mission fires burning.
   f. Use your Brotherhood to witness.

State Wide Conference on Evangelism: North Carolina, was held February 2-4, 1970 in the War Memorial Auditorium, Greensboro, N. C.

1971 Conference on Evangelism will be held in the same auditorium February 1-2, 1971.

SUPERINTENDENT OF MISSIONS

Associational Cooperation

I. Voluntary Cooperation is a Baptist Distinctive:
   1. Other major denominations or religious bodies have their pope, bishop, presbyter, etc., that has authority to send or hand down orders. Most other bodies are organizationally structured so that one body has authority over another. Other groups do not understand how we work together and get so much accomplished on the principle of voluntary cooperation.

2. Baptist bodies relationship with one another - Each and every unit of Baptist Life is autonomous, free and independent. Organizationally we are independent, but spiritually and in other ways, we recognize our interdependence upon one another.

II. Brief Sketch of Baptist Associational Cooperation:
1. The principle of cooperation is found in the New Testament. The New Testament Christians worked together for their mutual benefit. They cooperated for the purpose of helping others.
2. The Association was the first unit of cooperation beyond the local church.
3. It was in the associational meetings that State, Home, and Foreign Missions was first supported and promoted, even before there was a Southern Baptist Convention.
4. The association supported associational missionaries that went about starting new mission stations and new churches.
5. Associations took the lead in education, establishing schools, academies and colleges.
6. In recent years, the association is being given again, its rightful place in our mission program. It is now considered the basis of all our mission program. Our leaders are working in an through the association in promoting their work or institution.

III. Why Cooperation is Essential in the Association?
1. It is essential to present a unified front to combat the forces of evil and to promote the cause of Christ.
2. Cooperation is the outward evidence that we are united in "Christ."
3. It is essential that Churches cooperate so that the stronger churches can help the weaker ones.
4. It is essential that churches cooperate so that even the small or weak churches can help one another.
5. Cooperation is essential so that churches pooling their resources can have a stronger and more effective program.

IV. The Results of Fruits of Associational Cooperation:
1. The local churches have been strengthened by this larger fellowship, by receiving information from one another and through the association; by receiving training for its leaders and by having opportunities for service to others.
2. Individual Christians have been benefited. Their vision has been broadened and lifted; they have been inspired and challenged; they have grown by active participation; and they have become more missionary.
3. New Missions and churches have been started. Every church that exists today is evidence of cooperation of Christians and churches. Starting new work is one of the primary functions of associational missions. The association makes surveys, determines the needs, and enlists sponsoring churches.
4. Our denomination has a greater mission outreach because of the work of associational missions. Missions were first supported and promoted in the associational annual meetings. The association promotes the entire program of the convention. The denominational organizations, agencies, institutions, commissions, etc., uses the association as a channel of communication to the churches and Christians.
5. The association has helped to unify our churches. It has helped to have doctrinal unity; unite them in a common task of action; unite them into a larger fellowship; and unite them to fight or oppose their common enemies.
6. The associations have helped churches with their leadership needs in the examination and ordination of ministers; in the teaching and

training of their leaders; has provided leaders to the churches for special needs; and has brought denominational leaders into the association to inform of denominational programs and needs.

Respectfully submitted, Hassell Lamm

WOMAN'S MISSIONARY UNION

This past WMU year has been a great challenge to us as women. There have been some changes which we feel will be beneficial to all of us. The names of our organizations have been changed. They are as follows: Baptist Women, Baptist Young Women, Acteens, Girls in Action and Mission Friends. We are still giving to missions but with a greater enthusiasm. We are hoping that with God's help, this will be the very best year yet for missions.

Our hymn for the year is, "God of Grace and God of Glory."

God of Grace and God of glory,
On Thy people pour Thy power;
Crown Thine ancient church's story,
Bring her bud to glorious flower.
Grant us wisdom, Grant us courage,
For the facing of this hour.

We pray that as we sing this hymn, we may truly be dedicated for the task ahead.

We have leaders for the coming year that have been well trained, therefore, if we of this Beulah Association put our shoulders to the wheel, pray, and seek God's face, then we will be proud of our WMU and will be ready to say, "Here Am I, Send Me." Will you pray for each of us as we labor together with God as our leader?

Respectfully submitted, Joyce Murray, WMU Director

ANNUITY BOARD

Of the thirty-three churches in the Beulah Association only twenty-five are participants in the Southern Baptist Protection Plan. Including the Beulah Baptist Association there are twenty-six employers and twenty-seven members. We are making some progress in this department but there is still room for improvement. Since last year's report, four additional churches have entered the plan, leaving only eight churches with no provision for their pastors' retirement benefits. We sincerely hope these remaining churches will see the wisdom of making it possible for their pastors to have this protection.

1969 was one of the most successful years in Annuity Board history. There were 18,081 churches in the Southern Baptist Convention enrolled in one or more protection plans. Total benefits paid amounted to $7,273,851.

From the individual participating member's point of view there were two highlights - the Good Experience Credit and the "13th Check." "Good Experience Credit" is a new term in Protection Program vocabulary. All active members in Plan A received an extra 2% of retirement monthly benefits. Since January 1, 1970 this has been increased to about 4%. This is the fourth consecutive year the Annuity Board has mailed a "13th Check" to all recipients of life retirement benefits. These two extras are welcomed realities because interest earnings were in excess of what was required actuarially by the plans. The extra "13th Check" amounts to 13% of the annual benefit.

Churches and denominational agencies are encouraged to include in the budget, as tax free, fringe benefits, 10% of salary paid pastors and other staff members on first $4,000 of salary, which amounts to $33.34 per month. The participant has the choice of either the Age Security or Variable Annuity for the rest of salary beyond $4,000.

In addition, two other plans are available at slightly higher monthly premiums - Life Insurance, on a group life and disability insurance basis,

and the Hospital Insurance which is a Health Benefit Plan. These plans offer good protection for the church and the families in case of sickness, death and retirement.

Information on any part of the Annuity Board's programs may be obtained by writing to Guy S. Cain, Secretary, Annuity Department, 301 Hillsboro Street, Raleigh, North Carolina 27603.

CHRISTIAN ACTION

We read today's headlines in our daily newspapers with fear, concern and much prayer. When we see such as this writing in large print: "VIOLENCE, TERROR: SCOURGE SPREADING AROUND THE GLOBE" makes one wonder just where the Christian Church stands today in the midst of all this.

Are violence and terror becoming a way of life in much of the world today? There has been something akin to an epidemic of bombing, political kidnaping and murder, urban rural guerilla warfare, torture, organized terror, sabotage, killing and maiming of innocent; plus street war, looting, rioting, near anarchy, senseless cruelty and general noice and confusion.

But in spite of all violence, terror and confusion, I confess to you in this report that the Christian Church still stands and always will stand "High and Mighty" in today's world with a message of hope, a message of salvation. The Christian Church stands now as always as a symbol of peace; as a lighthouse in a dark world. The church today by and large is getting in on the action, and this action is called "Christian Action." I, for one, and millions of other Christians still believe in the church and its message and mission. I know that the church of the living God will as long as time shall be, will be engaged in changing a world from what it has become to what it ought to be. We have the assurance that the church will not only survive during all this turmoil; but will be victorious; and we may well be thankful for her place in today's world. Jesus waid, "And upon this rock I will build my church; and the gates of hell shall not prevail against it." (Matthew 16:18)

BROTHERHOOD

A Baptist Brotherhood is a group of men who have banded themselves together for the purpose of enlisting all the men of the Church in the work of the Church.

The Brotherhood fulfills four important tasks for a Church. They are (1) Teach Missions, (2) Engage in mission action, (3) support world missions through praying and giving, and (4) provide and interpret information regarding the work of the Church and the denomination.

An ACTIVE brotherhood in a Baptist Church has a real opportunity for teaching missions not only to the men of the Church but also to our young boys through the Royal Ambassador program.

Call on your Associational Brotherhood Director and Superintendent of Missions if they can help you in your Brotherhood or Royal Ambassador work.

Respectfully submitted, James A. Womble, Brotherhood Dir.

BIBLICAL RECORDER

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the Biblical Recorder as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the Recorder was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A Recorder editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the Recorder has had in the past year.

Looking to the future, the Recorder promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the Recorder to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The Recorder is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

HOMES FOR THE AGING

We are thankful to God for the great progress made this year in our Baptist Homes for the Aging. There are 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home, and Nursing Care Unit, in Winston Salem; the Albemarle Home in Albemarle; the Hamilton Home in Hamilton; and the Yanceyville Home in Yanceyville.

The Homes are primarily supported by two means, Special Offering taken through the year and the Cooperative Program. Approximately one-third of the financial support derive from these two sources. Therefore, we as Baptists should make an all-out effort to give generously to the support of these Homes.

Last year we appealed to the Baptist people because our Homes were in an alarming deficit. This plea was heard and the offerings of $168,349.34 from July 1, 1969 through June 30, 1970 were received. This offering has exceeded all other offerings in previous years. If we continue to give liberally to our Homes, and we are to remember that the cost of living is rising every day, then our Homes will continue to be a ministry to our elderly people.

Judge and Mrs. William M. York of Greensboro, N. C. have offered a gift of $80,000.00 to the Homes to add a proposed new addition to one of our Nursing Care Units, contingent upon the Homes raising an additional $80,000.00 by September 1, 1970. Have we done our part?

These Homes offer love and security for our elder people, and we thank the Lord for this ministry. If we look to the Lord, and we as Baptists continue to give, the needs of these people will be supplied.

Respectfully submitted, Horace Murray

BAPTIST HOSPITAL

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage, the patient

is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 of this amount - $237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

FOREIGN, HOME AND STATE MISSIONS

Usually, when we speak of missions, we think immediately of the money we give for the various mission causes. However, missions is more. It is the giving of ourselves, our time, and our talents, as well.

The Cooperative Program is the lifeline of all our missions work. But when we look at the physical, mental and spiritual needs of people locally, southwide, or worldwide, then we begin to look at the three phases of our missions work. State Missions' task is that of working with people in our own state of North Carolina, whether it be teaching, training, education or ministry to the ill. Home Missions with its varied program ministers to needs throughout our southland. Foreign Missions endeavors to evangelize the whole world, helping us to more completely carry out the Great Commission.

Every Christian should be a missionary. God has not called all of us to go in person, but He has called each one of us to help send those whom He has called. "The fields are white unto harvest..."

Respectfully submitted, Mrs. Wardell Breeze

CHRISTIAN EDUCATION

The enrolment in North Carolina Baptist Colleges and Universities for the year 1969-70 was 12,353 students. Out of this number, 600 students have dedicated their lives to full-time Christian service. Since a great deal is heard about the number of young people answering the call to full-time Christian service, the Christian Colleges, working through the Council on Christian Higher Education, are now finding ways to use Christian young people as they continue their education. One such venture is the Baptist Youth Corps in which some man said of his experience in the Youth Corps, "I consider this practical experience just as important to my Christian development as the classroom experiences are to my intellectual growth." The Baptist Church Training Department has been a highly profitable venture for both churches and colleges. We stand grateful for those who seek ways to reverse the trend of so few young people entering full-time Christian service.

The Baptist Colleges in North Carolina continue to be grateful to the Cooperative Program for the vital support they give these institutions. Outside of student charges, the Cooperative Program is the largest single source of annual income for our colleges. For the year 1970, $1,755,830.00 was budgeted through the Cooperative Program to North Carolina Baptist Colleges and Universities. The churches of this association can have a greater part in Christian Education ministry as we increase our gifts through the Baptist College Day and the Cooperative Program. An advance for these Christian efforts is always an advance for Christian Higher Education.

We urge every church in the Beulah Baptist Association to do all it can to help adequately support our Baptist Schools.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

It was Jesus who welcomed the children to his side and through this he not only taught a tremendous truth, but he showed his love and concern for children. He has a plan and a purpose for every child born of woman. Since every child is a dream of God, it is our privilege to help this dream come true. Our Baptist Children's Homes are engaged in the important task of helping children who have been hurt by life; to grow into healthy well-adjusted, responsible citizenship. As we pray for and give to this Christian ministry of child care we are helping dreams come true.

We are thankful that our facilities and our ministry is expanding along with the many needs for such a ministry. Within the next few months Broyhill Home at Waynesville and the Maternity Home at Asheville will be open, thus extending our ministry to Western North Carolina. In the East, Odum Home at Kinston is entering its intensive development program. Our ministry in Piedmont North Carolina focuses in Mills Home at Thomasville, Greer Home at Chapel Hill, and Wall Home at Wallburg.

We encourage you to learn all that you can about the agency. We also invite you to visit the Homes at any time, you are always welcomed. We further encourage you to give generously to this ministry. The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to the continuation of this ministry. We covet your prayers and your financial support.

FOUNDATION

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION Advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUSTS AND WILLS -

THE FOUNDATION has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to consel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.
